

## Our curriculum

Bright Beginnings Preschool uses tools to assist us in helping your child reach their full potential, by expanding his/her interest in the world around him. We encourage children to express themselves through art, music, language, and play. Large and small motor skills will be encouraged through individual and group play. Opportunities for observing, questioning, and listening will be provided. Experiences will be through “hands on” projects.

intellectual development.”*

## Faith-Based Program

Bright Beginnings Preschool offers a Christian based program focusing on the emotional, social, physical, intellectual, and spiritual needs of every child.

## Our Philosophy

We believe that children learn best by doing e.g., by exploring, interacting, creating, and discovering through personal hands-on-play activities. We also believe that all children are unique with individual patterns of development and styles of learning. Each child is able to succeed in learning when individual differences are respected and individual needs are met. We want children to feel good about themselves and the world around them. We strive for children to know that they are special and to respect others. Bright Beginnings Preschool will provide a safe and happy environment where each child will grow physically, socially, mentally, emotionally, and spiritually.

## Classes

### 9a.m. to Noon

**Pre-K Class** is for children who are one year away from entering kindergarten. The focus of this class is to prepare your child for kindergarten readiness through hands-on activities.

**Preschool Class** is for children who are 3 and 4 years old. The goal of this class is to provide a safe, fun, and educational environment where children develop important social skills.

**Parents Morning Out Class** is for children who are two years old by August 1st. Children learn basic school routines such as listening, sharing, being a good friend in a safe nurturing environment.

## Extended Learning Opportunity

### 9a.m. to 2p.m.

Bright Beginnings offers extended learning opportunity hours to the Preschool and Pre-Kindergarten classes.
