

Dear Parents,

Wow! Another school year is almost over. As they say "time goes by when you are having fun!" and that is most defiantly the case here at Bright Beginnings. I would like to thank you for your support this year, your child is very special to us and we thank you for letting us have the opportunity to teach them. I love to hear their funny stories, see their eagerness to learn and willingness to do new and exciting things.

I am eager to begin planning for the 2011-2012 school year. I have few things to share with you about the coming year. Our school year will begin on August 15, 2011 and orientation will be Monday August the 8th at 7p.m. This year will have added an Extended Learning Opportunity session to our Preschool and Pre-K classes. ELO classes will begin 9 a.m. and end at 2 p.m. on MWF. ELO will allow children to make additional progress in all six areas of early learning: social and emotional development, communications, language arts, mathematics, creative development, and physical development. Please see the brochure for class options and pricing.

I hope you registered your child for the upcoming year at Bright Beginnings Preschool. Please feel free to call me if you have any questions, I can reached at the church or by calling 812-786-2061.

Learning is Fun!
